

Hey there, APAS,

We want to make travelling for work feel like a vacation! From our newly renovated guestrooms to our delicious onsite dining options, there's something for everyone at The Atlas° Hotel! We're thrilled you chose us as your preferred accommodation partner in Regina.

As Regina's coolest locally owned, independent hotel, we have some amazing amenities that are sure to keep the folks at **APAS** feeling right at home during their stay:

- Location. Location. Location! South Regina is where it's at, easy to walk around, close to the airport, and a short drive to Mosaic Stadium, REAL District, and Downtown Regina.
- Here at The Atlas°, you can always find a place to park in one of our **200+ FREE parking spots**. We also have several larger spots to accommodate work trucks or larger vehicles, and most spots include plug-ins.
- Early birds and late risers alike can get a **delicious, affordable breakfast** at our **DISH Restaurant**. Whether you're a classic bacon & eggs lover or prefer something more luxurious like our Stuffed French Toast or Sask Benedict, nothing beats our breakfast.
- Our **newly renovated** and **comfy guestrooms** feature 50" TVs, mini-fridges, fibre-optic Wi-Fi, Keurig coffee makers, and microwaves (available by request).
- We have three on-site dining options: our popular Celtic pub, the **Knotted Thistle**; our family-friendly restaurant, **DISH**; and our **fair-price room service**. Fair-price room service? It means **no hidden fees!** What you pay in the restaurant or pub, you pay in your room. **No automatic gratuities** either (so don't forget to leave your hardworking server a tip)!
- Need to host a meeting? We can provide the quickest commute around! With over **14,000 sq. ft. of flexible meeting space** for your team, our hosting capabilities are pretty epic! Not to mention, our catering crew makes the most delicious dishes around (seriously, you'll be craving churros for weeks).
- **Soaked! Waterpark** is fun for kids (or kids at heart). It features two twisty waterslides, a heated indoor pool, a large hot tub, and a splash pad with a Watermark™ digital water curtain.

Based on our conversation (and some super cool wizard-level number crunching) we'd like to extend the following negotiated rate to **APAS**.
