FÉDÉRATION CANADIENNE
DE L'AGRICULTURE

RURAL INFRASTRUCTURE

- A Long-term Infrastructure Plan
- Connecting Farmers with Global Markets
- Investing in Trade and Transportation Corridors

RURAL INFRASTRUCTURE

TRADE & TRANSPORTATION CORRIDORS:

- Allocate investment to all transportation corridors including in rail, roads and waterways infrastructure.
- Dedicate federal excise tax dollars from fuel sales to maintenance and construction of rural roads and major arteries
- Continue regulatory guidance to ensure rail grain transportation system emulates a competitive transportation industry.
- Increased Railway Company investment to expand dual trackage
